Arrival Information – Please notify us of your arrival information (flying or driving). You may notify us by phone or email.

If you are flying: Plan to arrive the day before your hunt. If you choose to rent a car and drive to the ranch, a map is provided on the website. If you want us to pick you up, please get us your hotel information and we will make arrangements to pick you up at the hotel at 6:30 am the morning of your hunt.

If you are driving: A map is provided on the website. **(Please note that our mailing address is different from the ranch property where you will be hunting.** There is no physical address for the ranch.) We recommend you get to Price, Utah the night before your hunt. It is located about 20 minutes south of the ranch. There are several hotels in Price, but the closest hotels are the Ramada Inn (435-637-8880) and the Holiday Inn Express (435-637-7700). **Please meet us at the front gate at 9:00 am the morning of your hunt.**

Butcher: We use a local butcher, Jerry's Meats, located 20 minutes from the ranch. They can have your elk cut, wrapped and frozen so you can take it with you whether you are driving or flying. Coolers are available from us, or you can bring your own. It normally takes 3-4 regular sized coolers (40 qt.) for the meat.

Taxidermist: If you do not have your own taxidermist, we would recommend using Accurate Services. We will have a book at the ranch showing the different mounts to choose from.

If you have any other questions, please do not hesitate to contact us.
